Collecting rainwater from your roof during storms can not only lower your water bills, but also help to decrease water demand during the hot summer months. Each barrel will have a 55 gallon capacity.

Registration is due **Friday May 6, 2011**. Limited to **35** participants so register soon!

Build and take home your own rain barrel for only \$50 or a double barrel system for \$70!

Brought to you by Montgomery Soil and Water Conservation District in Cooperation with the City of Kettering!
